Winter 2026 | Bonnyrigg Community Newsletter

Bonnyrigg renewal update

Our neighbourhood continues to evolve, from a former public housing estate, into the vibrant community we know today.

When **Humphries Precinct** (Stages 8-11) is completed, Bonnyrigg will see a total of 275 new social and private homes added to the area. So far 10 new social homes have been built and 35 are currently under construction. By 2028, the Humphries Precinct will include a total of 70 brand new social homes for the community. Residents will also enjoy more green space, with a new park with recreation and BBQ facilities.

Development of **The Town Hub** - located behind Bonnyrigg Plaza and Bonnyrigg Public School - has commenced (Stages 12 and 13). Residents may have noticed older homes are being demolished to make way for the next stage of construction. St George Community Housing (SGCH) is continuing to work closely with remaining customers to support their move into suitable homes. When complete, the Town Hub will also include new public open space and places to meet, with easy walking and cycling links to Tarlington Reserve and Bonnyrigg's green spaces.

Two locals closer to a career in construction

Two young Bonnyrigg residents, Adriano and Khoshnaw, are gaining real-world industry insight through the 2026 Fouad Deiri OAM Strive Scholarship. They met Deicorp's founder, who partners with SGCH on housing projects, during a Zetland site tour. Both are studying at TAFE while finishing school - Adriano in electrotechnology and Khoshnaw in plumbing.

Did you know SGCH supports customers with employment and training?

We're partnering with We Are Mobilise to fill weekday warehousing roles across Western Sydney. If you're an SGCH resident, above 18 and fit to do heavy lifting, reach out to Joanne at SGCH to find out more on 0466 374 193 or catalyst@sgch.com.au.

Community News

Youth Week brings Bonnyrigg together

Youth Week lit up Bonnyrigg with a rainbow-coloured fun run, led by Bonnyrigg Youth Collective (BYC). Neighbours joined a high-energy program of races and games, including hula hoops, parachutes and sack runs, before sharing a BBQ together. Youth member Kai rated the day “20/10”, for the fun factor. President Farees was pleased to see everyone get together: “Today

created a sense of belonging and connection for all.”

But it didn’t stop there. The group also supported Fairfield Council’s Youth Week Bring It On! Festival, and drew a crowd of 80 young locals snapping Polaroid photos and signing up as new members. Thanks BYC for bringing the vibes to Bonnyrigg!

Free Taronga Zoo passes

SGCH customers can access a Community Pass for up to four people! Reserve your pass – email housing.plus@sgch.com.au or call Tanya our Housing Plus Coordinator on 1800 573 370.

Keep our community safe – report issues today

Everyone wants a safe and welcoming neighbourhood. If you see rubbish dumping or hazardous waste, trolleys or overgrown gardens, report it via Council’s Snap.Send.Solve app. For serious incidents, contact Fairfield Police on (02) 9728 8399. Working together helps keep streets accessible, reduces hazards and builds pride in our suburb.

Get involved in your neighbourhood

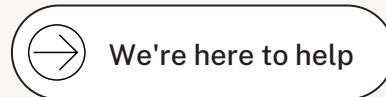

Over Winter and Spring, there’s plenty happening in our neighbourhood. If you’re a customer, homeowner or private renter, we encourage you to get involved – come to community events and activities, join the Community Reference Group and complete the annual survey to make Bonnyrigg better! For more information, email getinvolved@sgch.com.au.

Your Winter checklist

Stay fire safe this Winter: keep heaters clear (1m from flammable items) and supervise children. Treat every alarm as an emergency and be home for smoke alarm checks.

Prevent mould by ventilating daily – open windows and use bathroom and kitchen fans. Customers should report leaks or water damage straight away to SGCH.

If you have any questions about rehousing or relocations on the Bonnyrigg Estate, you can contact **Sonia** or **Nevine** at our Bonnyrigg office on **1800 573 370**.
